

Supporting and Promoting a Safer Huntington Beach

The Jake Olson Academic Scholarship Program

Jake Olson is a local Huntington Beach native currently enrolled as a student at USC. Jake battled through childhood disease and blindness to become a local high school football long snapper. He is currently attending USC where he is on the USC football team. Jake's courage, determination and work ethic epitomize what we are looking for in a Huntington Beach Police and Community Foundation (HBPCF) Scholarship recipient.

The HBPCF is offering scholarships to graduating high school seniors in Huntington Beach. Students graduating from a high school in Huntington Beach in 2018, who plan on attending an accredited college, are eligible. Students who are residents of Huntington Beach but attend high school in another city are also eligible. Each scholarship will be a minimum of \$1,000 and the intent is to award approximately four scholarships in 2018. The number of scholarships and/or the amount offered may increase as fundraising efforts continue.

Applications must be submitted **both** electronically and by US Mail. Electronically, students should submit the application and any supporting documentation that can be electronically transmitted to iono@hbpd.org. A paper copy of the application, with all supporting documents must be postmarked to the PO Box listed below by Friday, February 16, 2018, to ensure consideration (electronic applications must be filed by the same due date).

If you have any questions, please call Ms. Ingrid Ono at 714-536-5902
